Happy Holidays! Meet the characters in our LEGO Holiday Adventure!

YOU MIGHT ALREADY KNOW SOME OF THESE CRAZY CHARACTERS, BUT HERE ARE THE LEADING PLAYERS IN OUR EXCITING HOLIDAY PLAY. GET A SNACK AND GRAB A SEAT. THE PLAY WILL BEGIN AS SOON AS YOU TURN TO PAGE 4.

Join Johnny Thunder in the Search for Lost Treasure!

Johnny Thunder

Ever since he was a kid, Johnny has been good at finding lost treasure. Now he's searching for forbidden ruins, magic rubies, and many other wonders. It's up to Johnny to save these rare artifacts from treasure hunters like Baron von Barron. This holiday, Johnny was so busy finding presents for everyone else he forgot to make his own list. The other Adventurers chipped in and got him a new pickax.

Cool Adventurer's Gear

Bad Guys Sam Sinister and Baron von Barron

Even the treasure-stealing Sam Sinister and Baron von Barron exchange holiday gifts. They just don't wrap them. It's too hard to wrap a snake or scorpion.

Dark Ninja Bonsai

The stealthy Bonsai has been snooping around Flying Ninja's Fortress looking for presents. So far all he has found is an old piece of pizza.

**HIT-JAAHH!
NINJA ACTION!**

Shogun Gi-Dan

This slick samurai has been practicing his cookie cutting for the holidays. His favorite cookies to cut are candy canes and flying ninjas.

USING FANTASTIC FLYING WINGS OR COOL CLIMBING ROPES, SNEAKY NINJAS CAN SILENTLY DROP INTO ANY SAMURAI CASTLE TO STEAL THE SHOGUN'S TREASURE. BUT BEWARE, THEY MUST DODGE SWINGING SWORDS, ROLLING ROCKS, FLINGING CATAPULTS, FALLING AXES AND TRICKY TRAPDOORS.

DEEP SEA CHALLENGE

THE NATIONAL MARITIME CENTER
-NANTUCKET-

BUILDING CONTEST WINNER!

Congratulations to Chris Mayernik, the grand-prize winner of the LEGO Deep Sea Challenge National Building Championship!

Chris, age 12 from Virginia, constructed his winning "Titanic Search Station" in two hours using over 4,000 LEGO elements.

As part of his building prize, Chris flew to California and rode in a scientific research submarine. Chris and a friend dove down about 13 meters into the Pacific Ocean. "It was lots of fun" Chris said, "Being underwater was strange. Aboard the submarine, it felt sort of like flying. The water was hard to see through and you couldn't even tell that you were moving." Chris also had fun above water as he watched dolphins and whales swim in the ocean.

Chris may see more whales in January as he and his family journey to Antarctica as part of his grand prize. Besides whale watching, Chris will climb an inactive volcano and explore the continent by boat. To get ready for the trip, Chris is studying about Antarctica and "collecting penguin stuff."

Great Job Chris!
